HOW TO FIND OUR RESTAURANT

MAP TO CAPRICCIO

Though Bonaire is a small island, it might be confusing how to find our restaurant.

This small map can help; also printable if you use the button below.

From hotels south:
Walk along the waterfront until you see Plaza Wilhelmina. As you have passed several shops and cafés, keep right and you will find Capriccio in the corner of the curved road to the right, just across the Notary office.

HOPE TO SEE YOU SOON!!
